BPIA Resident needs help

Brandon Myers is like every other twelve year old boy, he loves video games, funny t-shirts and hanging out his with friends. The only difference between Brandon and most other boys his age is he was recently diagnosed with an inoperable brain tumor. Since April, he has had 3 surgeries to help relieve the pressure of fluid on his brain so he could begin chemotherapy. He has had 4 sessions of chemotherapy and after the sixth session the doctors will re-evaluate and decide where the family goes from there.

A fund has been established to help offset medical expenses that the families insurance does not cover. To donate to the fund, send checks to : "Brandon Myers Medical Fund", c/o Bank of America, 3488 Emmorton Road, Abingdon, MD 21009

Brandon is a student of Chesapeake Bay Middle School and will be entering the seventh grade in the fall if he is able.
